

REMARKS

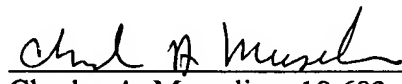

Applicants request reconsideration of the application in view of the amendment to the claims and the remarks presented herein.

The claims are claims 1, 4, 5 and 8 to 11, all other claims having been cancelled. The claims have been amended to restrict them to the elected invention. However, Applicants reserve the right to file divisional applications to the non-elected claims.

The rejection of claims 1 to 8 under USC 112, first paragraph has been obviated as the claims have been limited to treating the two cancers the Examiner deems to be enabled. It is believed that the amendment of the claims obviates the double patenting rejection and the Examiner's objections to claim 1.

In view of the amendment to the claims and the above remarks, it is believed that the claims clearly point out Applicants patentable contribution. Therefore, favorable reconsideration of the application is requested.

Respectfully submitted,
Hedman and Costigan
